

REMARKS

The indication that claims 5, 7-9, 11, 13-15, 20 and 22-24 are allowable in independent form is noted with appreciation. It is believed that claim 21 should also have been in this group since it is dependent on claim 20.

By the foregoing amendment, claims 11, 13, 14, 20, 22 and 23 have been placed in independent form and all of remaining claims made dependent, directly or indirectly, on these independent claims.

New claims 26-31 correspond to claims 21, 18 and 19, except for dependency (on allowable claims 22 and 23).

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.
